

The 2017 Annual Meeting of the Consortium of Multiple Sclerosis Centers (CMSC)

May 24-27, 2017 — ACPE-Accredited Activities

The France Foundation is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and will award up to 21.25 contact hours (2.13 CEUs) to pharmacists who (1) complete the activity and (2) submit a passing posttest <70%> and evaluation form via www.ff-ce.org. This is a knowledge-based educational activity. The sessions offering ACPE credit are designated below and include a Universal Activity Number (UAN) and hours of credit. Your CE credits will be submitted electronically to the CPE Monitor. CE providers must upload participant information within 60 days from the date the participant completed the live activity. **To ensure your credit fulfillment, you must submit your posttest, evaluation, and credit request via www.ff-ce.org NO LATER THAN July 10, 2017.** Credit requests made more than 60 days after the activity WILL BE REJECTED by CPE Monitor, and are beyond our control. For more information about CPE Monitor, visit <http://www.nabp.net/programs/cpe-monitor/cpe-monitor-service/>.

Please go to www.ff-ce.org for pharmacist evaluations and to claim credit
