

THE CONSORTIUM OF
MULTIPLE SCLEROSIS CENTERS

2022 More About MS

*Achieving Health and
Happiness While Living
with Multiple Sclerosis*

The overwhelming success of this program over the past 3 years proves that this should continue as a valuable resource for patients in 2022. The CMSC Annual Meeting in National Harbor, MD, takes place June 1-4, 2022. CMSC, along with the program chair Dr. Randall Schapiro and Catamount Medical Education have planned the More About MS: Achieving Health and Happiness While Living with Multiple Sclerosis patient education program.

Randall T. Schapiro, MD, FAAN (Program Chair)
